

# Beyond Digital Mammography

GE Healthcare is holding a Mammography Symposium on 21<sup>st</sup> May 2014 in London and would like to invite you to attend.

Symposium will include:

- SenoClaire\* – Digital Breast Tomosynthesis
- SenoBright\* – Contrast Enhanced Spectral Mammography
- First UK & Ireland experience of both techniques
- European guest speakers

Registration will open soon with a full agenda being released. So **save the date** to ensure you'll be free to attend.
